HD33 in collaboration with OSCAR is pleased to present this exceptional project to restore and refurbish a historic house dating back to the 17th century. The house is located in the oldest district of the capital of the Grand Duchy of Luxembourg, which is a UNESCO World Heritage Site. The Oscar company, whose passion is to enhance historical heritage, has developed the "Résidence Vauban" project, which will comprise 3 apartments. It will transform an old building classified as a UNESCO zone into a modern residence with an elevator, using exceptional materials combining the modern and the old, with visual harmony. It will meet today's high standards, such as ACA energy performance, and offer a unique level of luxury in a historic setting. The residence is located at 39, rue Vauban, in the heart of Luxembourg's capital, just a few minutes from Kirchberg, the city center and the Clausen district...
